Swimming Carnival

Our annual Swimming Carnival was a huge success and all the students swam beautifully. For those students qualifying for the Zone carnival on Friday, the 22nd of February in Wagga Wagga emails will be sent this week with details. Please fill out the note and return to school asap.

School Website

We have a new website with loads of information. You can find it at narrominechristianschool.com

School App

Just a reminder for our new families to down load our school app. It is a great way to stay in contact and be notified of any changes to the school schedule.

Hear our Heart Bus

The Hear our Heart bus will be visiting our school again this year. Information notes, check lists and parent permissions will go home this week. If you have any concerns about your child's hearing please fill in and return to school asap. The parent permissions that were given last year would have expired so will need to be redone.

Swimming Lessons

Swimming lessons will begin this Wednesday and will run for 6 weeks. Students will need their swimmers, towel, thongs, goggles and sunscreen. Students are not to wear thongs to school but will change into them for swimming time only. Please label all school items to avoid things getting lost.

Music Lesson

Students that have elected to do music lessons through the Conservatorium of Music will start lessons this Friday. Please don't forget your instruments.

FUSE

The first FUSE for 2019 will be on Friday, 8th of March at 6:30pm.

Newsletter Emailed

If there are any families that would prefer to have the weekly newsletter emailed please notify the ladies in the office.

Chapel

Chapel will start on Friday at 2:10pm. Everyone is welcome to come along. This weeks item will be presented by Miss Hall's 4/5 Class.

Year 6 Sports shirts

Notes were sent home last week requesting sizes and names, please send them back to school asap so Mrs Chapman can place the order.

School Banking

School banking will be on Wednesday's.

Cont....

School Fees

Families paying their fees by the term will need to have accounts settled by this Friday.

Home & School AGM

Home & School AGM meeting will be on Monday, 25th of February at 5:30pm. Everyone is welcome to come along.

Breakfast Club

Brekky Club started today with lots of children enjoying a healthy start to their day. Just a reminder that Brekky Club runs on Tuesday and Friday mornings from 8 - 8:45am. All students are welcome and best of all, breakfast is free.

Hockey Gala Day

Years 4-6 will be participating in a Hockey Gala Day on Wednesday, the 6th of March in Dubbo. Permission notes were emailed last week. Please fill in and submit asap.

LOST Clothing

A student has lost his sports clothes at the swimming Carnival last week, please check your sports clothes incase they were picked up by mistake.

Pre-Kindy Mrs Roberts

Hello Everyone and Welcome to Week 3!

This week in PreKindy we will be learning about the Phoneme Aa. We will be painting alligators, ants, favourite animals, apples and aeroplanes. We will also be making apple prints. Our song for the week will be If You're Happy and You Know it, Clap Your Hands .

In our Phonemic Awareness we will be learning about Rhyme Recognition with the poem Rain, Rain, Go Away. Our number for the week will be 2, our shape is the square, and our colour for the week will be blue. We will also count forward to 10.

Have a great week everyone!

K- Miss Harris

Hi everyone!

Don't forget to check your Parent Fact Sheets look for updates about what is going on in our Kindy Room. Homework is to be returned each week for me to check and stamp each morning, and then on Fridays I will collect all items and get them organised for the following week.

Swimming lessons start this week. Please please, PLEASE write your child's name on every single thing you send to school with them on sports days, even their sports uniforms.

Hope you have a good week!

1- Mrs Feo

Hi families,

Welcome to week 3. This week we are busy revising new sounds and learning about addition in Maths. Please remember to sign homework each night it is completed. Reading each night is very beneficial for your child. Please also practice the tricky words towards the end of the homework diary as well.

Have a good week, Mrs Feo

2- Miss Payne

Hi Families,

I can't believe that it is Week 3 already. This week for mathematics we are looking at the different strategies that can be used to solve subtraction questions. Students will become familiar with using the jump strategy and the split strategy when solving subtraction questions. For literacy this week we are delving into imaginative texts, a topic that is proving to be of much excitement for both the students and myself. For History we are continuing the study of Narromine but this week we are focusing on significant sites around Narromine.

I hope that everyone has a fantastic week.

Miss Payne

3 - Mr Smith

Hello Families,

What a wonderful start to the year we have had. The students have settled into their routines and we are ready for some extraordinary learning. This week we are beginning our new unit investigating the ocean's of the Earth. We will use this content to learn comprehension strategies and write interesting information reports. Stay tuned to Seesaw for samples of our work.

Until next week, Mr Smith.

4/5 - Miss Hall

Good afternoon families, our focus topics this week are common and proper nouns and noun groups. Narrative writing – the planning stages and drawing on our comprehension skills to understand what we are reading. Our Math focus is on using different strategies to solve addition and subtraction problems. In Science, we have been learning how to draw a cross section of a flower and label it. In Music we are learning a little about the history of our composers. Our Bible verse this week comes from 1 Peter 3:18 For Christ died for sins once and for all, a good man on behalf of sinners, in order to lead you to God. He was put to death physically, but made alive spiritually.

Have a blessed week

Miss Hall

5/6 - Mr Walsh

Welcome all to week 3.

A big thank you is extended to everyone who helped with the swimming carnival last week. Your efforts and time were very much appreciated and from talking with a range of people it was a great success. Well done to Nharrang House on their overall victory for the day and the parents relay team for their stunning victory in the relay. We will do it again next year.

This week in English we will be focusing on Nouns in grammar, Inference during reading comprehension and imaginative text in writing. During Maths, our focus switches to multiplication and students will have opportunities to consolidate their understanding of this strand through the homework sheets for this week.

In Bible Studies, we will continue to look at Salvation and how Jesus died for our sins. In Science, we did a little spy work using mirrors and in HSIE will investigate the discovery of the East Coast of Australia by Captain Cook.

Till next week....
