

Messages from the Principal

Grandparents Day

I hope your calendars are marked for November 1. Grandparents day is a fun day and a wonderful opportunity for grandparents, aunts, uncles and extended family to come in and share a day with the students at Narromine Christian School. Formal invitations and menu options will be sent home later this week.

FUSE

It was lovely to see so many families at FUSE last Friday night enjoying the final performance of WOSE. Well done to all our students for their talented presentation and to Pastor Rang, Mr Anthony Ferrett, Pastor Jay and Mr Feo for all their hard work and preparation.

Help Needed

If there are any parents or family members able to help with cooking or volunteering in the kitchen on Grandparents Day please contact the office. In order to make this day the huge success it has proven to be in years gone by we will need your help.

Kinder Orientation

This Thursday we welcome our 2020 Kindergarten class to our school for the first of three orientation sessions. Everyone is looking forward to meeting them and I am sure our student leadership team will do a wonderful job of helping them settle in to school life.

Gymnastics for Sport

Due to unforeseen circumstances gymnastics for sport will not begin until next week.

Successful Grant for Funding

Thanks to a timely grant from Charles Sturt University and CUP Program, we have been able to access speech and language assessments for some of our students. We are grateful for the service this grant has allowed us to access.

Canteen

Canteen will be open this week on the usual days of Monday and Thursday. There are a few vacancies on the canteen roster this term, if anyone is able to help out please contact our canteen coordinator Mrs Robyn Brown. If they are not filled we will have to close the canteen on those days.

Mango Fundraiser

Mango orders forms are due to be returned this Friday. Please send them into the office along with the money so we can place the order.

Road to Bethlehem

Our biannual presentation of Road to Bethlehem will not be on this year due to unforeseen circumstances but will be on in 2020

Book Fair

This year given our limited space we will only have the book fair open for two days. We will have it open to students on Thursday, October 31 and to families on Grandparents day Nov 1. If you are able to help out manning the book fair on the Friday please contact the ladies in the office.

Puff & Blow

Puff and Blow notes were sent home last week. If you are considering music lessons for your children in 2020 please complete the form and send it into school by this Friday.

Rugby League Gala Day

Years 4-6 have been invited to participate in a Rugby League Gala Day in Parkes on Tuesday, October 29 (Next week). Please fill in the permission note that was emailed last term. Students will need to be at school by 7:40am if attending.

Pre-Kindy Mrs Roberts

Hello Everyone and Welcome to Week 2!

This week in PreKindy we will be focusing on the phoneme X. We will be painting X butterflies, Jack in the Box, X X-rays, Fox faces, Cameras (x sound when taking a photo) and foxes. Our song for the week will be Jack in the Box.

In our Phonemic Awareness we will be learning about Syllable Blending. Our number for the week is 17, our shape is the square and our colour is purple. We will also count forward to 20 and do some simple addition.

Please remember to send a hat with your child as hats must be worn for outdoor play.

Have a great week everyone.

K- Miss Harris

Hello everyone!

Thank you to those families who have put an extra emphasis on making sure that homework is completed every night. We have a few students with crosses instead of ticks but mostly, students are putting in a good effort to make sure their job is completed each week. In our Bible sessions, we are currently exploring the idea that we can be buttons for Jesus, by bringing people together and making sure people are connected to others and Jesus. Our storybook for this week is Ernie Dances to the Didgeridoo and our vocab words are; inspected, humid and sneaks. The Kindy kids will be moving into the Year 1 classroom on Thursday for half of the day while Miss Harris spends time with the new students who are scheduled to start Kindy next year for Kindy Orientation. Gymnastics lessons at school will start next Wednesday.

Have a great week everyone :)

1- Mrs Feo

Hi families,

Welcome to week 2. Wow last week was busy fitting in all our work and WOSE as well. This week we are back to normal learning about capacity in maths, identifying what makes light and sound in our world in science, about Australia in geography and how to have trusting relationships in Bible. We are also busy practicing for our chapel item this week. It would be great if you could come along on Friday and watch.

Homework is as normal this week. Please remember to sign each night. Any questions please ask me.

Have a good week, Mrs Feo

2- Miss Payne

Hi all

Welcome to a very busy week two. We are continuing this week to explore narrative writing and the language features that belong with these texts. We jump back into addition and subtraction this week. I am very excited for our next art project as we will be creating tinfoil sculptures. I am very proud of the students and their efforts so far with homework this term. Keep up the great work Year 2!

Have a fabulous week everyone, Miss Payne

3 - Mr Smith

Hello Families,

This week Year 3 have been busy practising their end of year performance. We have lots of lyrics to remember. You may hear some of them at home :)

In our morning routine, we have been looking at the special moments we can have in school; from the first day of kindergarten, first STRONG award and even obtaining our pen license. This knowledge will be used later in the term with a special project.

Well done to all the students in Year 3 who have started term 4 with genuine enthusiasm. It's going to be an amazing finish to the year.

Kindest,
Mr Smith.

4/5 - Miss Hall

Good afternoon families, students are very excited about science this term looking into space and understanding more about planets, stars and how our universe rotates. Students are especially excited about our Warrumbungle Siding Springs Observatory excursion. You were all emailed with permission notes. This week in class we are learning about the Beattitudes, playwriting, possessive verbs, area and how we define different types of environments.

I pray you all have a wonderful week! Proverbs 29:11 - 'Fools vent their anger, but the wise quietly hold it back.'

God Bless

5/6 - Mr Walsh

Welcome all to Week 2.

What a great week we just had with our week of Spiritual Emphasis. Pastor Rangī and Pastor Jay, Mr Feo, Miss Haddon and Mr Ferrēt did an amazing job preparing and presenting the program. It was fantastic seeing the student participate with such confidence in the drama each day. There were some notable performances from a range of students which was great to see. A big thank you is extended to Mr Feo for preparing the drama and the students. Pastor Rangī and Pastor Jay did an amazing job presenting the lessons for the week and Miss Haddon and Mr Ferrēt did a great job with the music and vocals.

This week, we begin our novel study that incorporates the book Wonder by R. J Palacio. The study will last for the remainder of the year and I look forward to exploring the book in depth with the students. We will continue looking at data and graphs in maths and rehearsals have started for our end of year presentation night performance.

Lastly, next Tuesday some of the students will be participating in a Rugby League Gala day while on Wednesday next week the students will again be heading to the high school for further taster lessons.

Till next week.....
