Pre-Kindy Applications

Pre-Kindy applications for 2020 have started to come in. Please let families that may be thinking of enrolling know to get their applications in soon as spaces fill up very quickly.

Town Library

Year 3 will be visiting the Town Library on Thursday. Please make sure they have their library bags if they wish to borrow any books.

School Uniform

Students are to wear their full winter uniform every day, this includes their tie and black shoes.

School Jumpers

Please clearly label your childrens school jumpers. There are a number of students coming to school saying they have lost theirs.

Dance Eisteddfod

Well done to our Year 3 & 4 students who performed in the Eisteddfod today. From all reports they performed extremely well, the competition was very tough this year and they should all be very proud of themselves. Thank you to Miss Haddon for preparing the students so well, you have done an amazing job.

Dental Health Checks

Please send in the completed dental health check forms that were recently sent home. Maven dental group will be coming to the school next week on Tuesday, June 18. This is a free service offered to students to help maintain healthy teeth & gums.

Fun Run

I hope everyone is busy getting sponsorship for the upcoming Fun Run on Friday June 21. There are lots of great prizes to qualify for. It is going to be a great day!

CWA Posters

CWA Posters on Papua New Guinea are due to be collected on Friday, June 21. I can't wait to see them all, going on years gone by I'm sure the posters will be of a high standard and will reflect the huge effort put in.

Parent Teacher Interviews

Parent Teacher Interviews will be in the final week of Term 2 on Wednesday, July 3. Notes will be sent home soon.

CONT...

Chapel

Chapel will be on this Friday at 2:00 pm. All are welcome to attend.

July School Holidays

Term 2 will finish on Friday, June 5. There is a three week term break so school will resume on Monday, July 29.

FUZE

Next FUZE will be on Friday, June 21 at 6:30pm.

Pre-Kindy Mrs Roberts

Hello Everyone and Welcome to Week 7.

This week in PreKindy we will be focusing on the phoneme Oo. We will be painting octopuses and creating orange o paintings. We will be gluing cheerios onto orange o's and painting trees to put 'oranges' on. In our Nature Study time we will be talking about orangutans, octopuses and ostriches. Our song for the week will be Old MacDonald.

In our Phonemic Awareness we will be learning about Word Segmentation. Our number for the week is 9, our shape is the rectangle, and our colour for the week will be black. We will also count forward to 15 and practice writing numbers 0-5.

Have a great week everyone!

K- Miss Harris

Hello families!

I hope that you all had a lovely extra long weekend. This week in Kindy we are practicing our bouncing ball skills in PE. We will be practicing bouncing with two hands then moving onto one hand. Our storybook this week is called Two Mates, and our target vocab words are: Mates & Travelled. In Maths this week we are learning about Multiplication and what it means. To us in Kindy it means we learn about sharing and equal groups as well as learning how to skip count by 2's, 5's and 10's. For Sport this week we will be learning some soccer skills and maybe having a game with the Year 1 class.

Hope you all have a great week!

1- Mrs Feo

Hi Everyone,

Welcome to week 7. I hope you all had a nice long weekend. This week we are continuing to look at digraphs (two letters that make one sound) and trigraphs (three letters that make one sound) in Phonics, making "groups of " in Maths, looking at the past and comparing it to now in History and soccer skills in Sport. Homework is as normal this week.

Have a great week,
Mrs Feo.

2- Miss Payne

Hi everyone

A very exciting week indeed for year 2 this week as we are heading to the dairy farm tomorrow for our excursion. Not only are the students really excited about this excursion but I must admit I am also quite eager to visit the dairy farm. I am sure that they will have lots to tell you on Wednesday night.

Have a fabulous week.
Miss Payne

3 - Mr Smith

Hello families,

Well done to all the students who participated in the Dubbo Eisteddfod. While a little nerve-racking, I know everybody who participated would have gotten something from it. Congratulations! This week we are starting our mathematics unit on two dimensional shapes. This exciting learning sequence will have students exploring shapes in everyday life. Additionally, we are studying Western Australia for our literacy activities. I'm looking forward to lots of learning this week.

Kindest,
Mr Smith.

4/5 - Miss Hall

Hello Families, I hope you all had a wonderful extra-long weekend. Well done to all of our grade 3 and 4 students who participated in the Eisteddfod this morning, great effort. Students have been working hard and have done well on their in-class History assignments, learning about our different state flags and emblems. Throughout writing this week, students will be focusing on using persuasive devices in their writing. Throughout reading, we will be learning to visualise what we are reading. For Music, we are moving into reading basic musical notes and symbols in preparation later in the year to learn to play the recorder. Our Bible verse this week is about having gratitude.

1 Thessalonians 5:16-18 – ' Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus'.

5/6 - Mr Walsh

Welcome to Week 7 everyone.

This week promises to be another busy week. I will be away tomorrow (Wednesday) with Mrs Whaley again filling in. This week, the students will continue with the comprehension strategy Activating Background Knowledge. In Writing, we will move to our next writing style, which is Informative Writing.

In Bible Studies, we will continue looking at the topic Boy kings and their relationship with God and their people. In Mathematics, we will be looking at two-dimensional shapes and lines of symmetry. A reminder that the CWA Papua New Guinea posters are due in by the 21st June and that my students are required to complete a poster.

Due to the long weekend, we will miss our HSIE lesson this week, but will continue looking at Earth's Place in Space with a focus on the Earth's rotation around the Sun on its axis.

A big thank you is extended to Mrs Walsh and the amazing 3D artworks she had the students produce. They look amazing and I believe they will be on display at the Narromine Show in September.

Till next week....
