

Messages from the Principal

Zone Swimming Carnival

Wishing Brydee Reid, Jack Roberts and Jaden Davis lots of luck in today's State Swimming Carnival.

Swimming Lessons

We are up to our last two weeks of swimming lessons, this Wednesday (13th) and the next (20th). Please make sure your child has everything they need for swimming on these days.

Town Library/Timbregongie Visit

Year two will visit Timbregongie this week on Tuesday and will visit the town library on Thursday.

The Gruffalo Excursion

Pre-Kindy, Kindy, Year 1 and Year 2 will be travelling to the DRTCC on Tuesday, March 26 to watch a performance of the Gruffalo. Please look out for the emailed permission note.

Chapel

Next Friday, we will have special guests for chapel. Geoff and Gloria Parry manage 'Transform the Nations'. They are coming to talk to us about the important work they do in helping children rescued from trafficking in countries like India and Nepal and giving them a future. We would love you to come along if you are able and hear about the fantastic work they are doing. Chapel will begin a little earlier at 1:50pm.

Kindergarten will have our chapel item this week and we invite you along to their performance.

Working with Children Checks

For those parents/carers or family members that volunteer on canteen and for classroom assistance please make sure you give your Working with Children Check numbers along with your date of birth for verification to office staff.

Pancake Breakfast

The first Home & School fundraiser for 2019 will be a pancake breakfast on Wednesday, the 3rd of April. More details to follow a little closer to the date.

CONT...

Easter Hat Parade

On Thursday, April 10 we will hold an Easter Hat Parade. Please work with your child to create an Easter hat and then bring a plate of morning tea to share. I can't wait to see the creative designs that are sure to abound on the day.

Uniform Survey

We are conducting a small uniform survey to get parent/carer feedback. Surveys were sent last week, the survey will close this Friday, 15th March.

School Photos

School photos will be taken on Thursday, the 28th March. Please make sure order envelopes are returned by Friday, the 22nd of March. Family photo forms are available from the office.

Parent Teacher Interviews

Parent teacher interviews will be held on Tuesday, April 9. Forms will be sent out shortly.

AIS & Dymocks Children Charities Funding

We have been extremely lucky to receive \$4000 worth of funding for new library books! I have been busy selecting a comprehensive range of books I'm sure will delight our students.

Cross Country Carnival

Our Cross-Country Carnival will be held on Wednesday, April 10. Plan to come along to this day of fun.

Community News

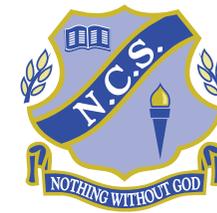

The simplest way
... to pack a healthy lunch box

The average school child will eat more than 2,500 lunches during their 13 years at school.

Cancer Council's website healthylunchbox.com.au is a one-stop-shop for everything families need to know about packing a healthy lunch box.

Parents will find information on the five food groups, what constitutes a healthy lunch box, sandwich alternatives, sandwich filling ideas, snack ideas, swaps for unhealthy snack foods, recipes and tips. The website features an [interactive healthy lunch box builder](#) where parents can get their kids involved in planning the lunch box and choosing foods they will eat and enjoy.

Thursday, 28th March	School photos
Tuesday, 9th April	Parent Teacher Interviews
Wednesday, 10th April	Cross Country Carnival
Thursday, 11th April	Easter Hat Parade
Friday, 12th April	Last Day of Term 1
Thursday, 25th April	ANZAC Day

Pre-Kindy Mrs Roberts

Hello Everyone and Welcome to Week 7.

This week in PreKindy we will be learning about the Phoneme Nn. We will be painting Noodle Bowls, Numbers and Noodles on N's, Nightingales on Nests, Noah's Ark and Nose and Glasses Disguises. Our song for the week will be Nick Nack Paddywack. In our Nature Study time we will be learning about newts, numbats and nuthatches.

In our Phonemic Awareness we will be learning about Rhyme Recognition. Our number for the week will be 4, our shape is the rectangle, and our colour for the week will be pink. We will also count forward to 10.

Have a great week everyone!

K- Miss Harris

Hello everyone! Welcome to another great week.

We had a blast last week with Healthy Harold visiting us and educating us in how we can keep our bodies clean and healthy. This week in kindy we are learning about patterns in our maths sessions. Where are they around us, what kind of patterns are there and how can we produce them. It's the second last week of swimming so let's make them count! I have already seen them come so far in such a short time.

Until next week :)

1- Mrs Feo

Hi Families,

Welcome to Week 7. This week we are busy learning digraphs in phonics, data in Maths, how to trust God in Bible and jumping exercises in PE.

Last week we had lots of fun at Healthy Harold learning about how to be calm when preparing for big events like athletics carnivals or when we are nervous about something.

Homework: please continue to read over a column of words each night for practice on those digraphs (two letters that make one sound).

I hope that everyone has a great week, Mrs Feo.

2- Miss Payne

Hi all,

We have a very busy week in Year 2 this week. This week we are visiting Timbreeongie on Tuesday, swimming lessons on Wednesday, the Town Library on Thursday and we have a special chapel on Friday. In the classroom we also have a very full on week, as we dive into the concept of division. We will be completing many hands on experiences throughout the week to help us understand division. For writing this week we continue our exploration into informative texts. Students are very excited to begin researching facts about their animal (selected on Monday) using the Chrome Books. Finally, art this week we will be finishing our collage of our families (they are looking fantastic). We can't wait to show you our creations! Have a fantastic week.

3 - Mr Smith

Welcome to Week 7 Families.

Last week we finished our Great Barrier Reef information reports. While these were sent home, please see your child's Seesaw account for a digital copy and a personal self-reflection via voice recording. This week we start our patterns and algebra mathematics unit.

Though this, students will apply their growing number knowledge to practical problems. On Wednesday why not ask your child about the Fibonacci sequence!

Until next week, Mr Smith.

4/5 - Miss Hall

Good afternoon families, I hope you are having a good week.

We have a fairly normal week, in Math, we are refreshing our minds about patterns with numbers particularly around odd and even numbers. Over the next few weeks we will be learning how to order and create sounds in music using a variety of objects and percussion instruments. In history we have been looking at how language and story telling is important to the Aboriginal people. The students have enjoyed using symbols and dot paintings to represent stories they have heard.

Our Bible verse this week is about having an attitude of gratitude: 1 Thessalonians 5:16-18 – ' Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus'. Have a great week.

5/6 - Mr Walsh

Welcome to Week 7 everyone.

I'd like to congratulate all the students on their outstanding artworks for last week. The pictures of Uluru look amazing! I wish I could take the credit for that set of lessons. Unfortunately, full credit goes to Mrs Walsh and the students.

On a different note, during our procedure writing last week, I asked the students to write a procedure for making cordial. I'm glad they don't make me cordial drinks at school! Hopefully, their next procedures will be very polished and detailed. It was an extremely fun lesson to be involved in as some like their cordial weak and others, way too strong. But it's all in the detail!

This week, we will continue with informative writing, while for comprehension, we move on to the strategy of cause and effect. In Mathematics we will be focusing on percentages. Later in the week, the Year 5 and 6 students from Miss Hall's and Mr Walsh's classes will receive the first information packs regarding the Canberra Excursion. A follow-up information pack will be available later in Term two as the excursion gets closer.

Till next week...
